SECTION 15.

Title 20 of the Official Code of Georgia Annotated, relating to education, is amended by revising subsection (a) of Code Section 20-2-161.2, relating to the Youth Apprenticeship Program, as follows:

"20-2-161.2.

(a) Any eleventh or twelfth grade pupil or pupil aged 16 or over in any public school in this state may enroll in a Youth Apprenticeship Program which is offered at that public school and which is approved for secondary credit by the department. Such pupil shall be granted release time from the public school to work as an apprentice for any business enterprise which is approved by the department as a qualified employer under the educational apprenticeship program. A pupil shall receive secondary credit for such apprenticeship only under the conditions established by the department. The department is authorized to establish a Youth Apprenticeship Program and to promulgate such policies, standards, procedures, criteria, and administrative requirements as may be necessary to implement the program by rules and regulations. The department shall consult the Department of Labor and the ~~Department of Technical and Adult Education~~ Board of Higher Education in developing such policies and procedures. The department's certified educational apprenticeship plan shall include but not be limited to the following:

- (1) A detailed training plan between employer and apprentice that identifies specific work tasks that will develop workplace competency;
- (2) A minimum of 144 classroom hours of related academic instruction and training;

- (3) A minimum of 2,000 hours of on-the-job training;
- (4) A progressive wage schedule established by the participating employer;
- (5) On-site evaluation of the pupil's performance;
- (6) Training remediation as necessary at the school site;
- (7) A broad range of skills but shall be focused on manufacturing and engineering technology, administration and office technology, and health care;
- (8) Development of materials by the business, industry, and labor community in conjunction with the department to promote the awareness of apprenticeships for high school students and encourage recruitment; and
- (9) Structural linkage between secondary and postsecondary components of the program leading to the awarding of a high school diploma and postsecondary certification of occupational skills.
- The apprenticeship program shall include on-site training only in positions that have been certified by the Department of Labor as highly skilled jobs in business and industry."

SECTION 16.

Said title is further amended by revising subsection (b) of Code Section 20-2-270, relating to establishment of state-wide network of regional educational service agencies, as follows:

"(b) The State Board of Education shall establish the service area of each regional educational service agency as a geographically defined area of the state. All local school systems, ~~Department of Technical and Adult Education facilities and institutions,~~ University and Higher Education System of Georgia facilities and institutions that are located in the designated geographical area shall be members of that regional educational service agency."

SECTION 17.

Said title is further amended by revising subsections (a), (b), and (c) of Code Section 20-2-320, relating to the Education Information Steering Committee, identification of data to implement Quality Basic Education Program, and state-wide comprehensive educational information network, as follows:

"(a) The Governor shall appoint a steering committee, which shall be named the Education Information Steering Committee, composed of representatives from the Department of Education, ~~the Department of Technical and Adult Education,~~ the Board of Regents of the ~~University System of Georgia~~ Higher Education, the office of the Governor, the Office of Planning and Budget, the Department of Audits and Accounts, the Georgia Technology Authority, the Department of Early Care and Learning, the Professional Standards Commission, the Office of Student Achievement, the Georgia Public Telecommunications

1 Commission, the ~~Legislative~~ Senate Budget Office, the House Budget Office, and local
2 school systems. The steering committee shall identify the data required to implement the
3 Quality Basic Education Program on a fiscally sound basis and the data required to
4 evaluate the effectiveness of the components of public education in Georgia. The steering
5 committee shall identify data that shall be required from local units of administration for
6 the implementation of this article. Further, the steering committee shall develop a design
7 for a state-wide comprehensive educational information system which will provide for the
8 accurate, seamless, and timely flow of information from local and regional education
9 agencies; and units of the ~~University~~ Higher Education System of Georgia; ~~and technical~~
10 ~~schools and colleges to the state~~. The design shall include hardware, software, data,
11 collection methods and times, training, maintenance, communications, security of data, and
12 installation specifications and any other relevant specifications needed for the successful
13 implementation of this system. The state-wide comprehensive educational information
14 system shall not use a student's social security number or an employee's social security
15 number in violation of state or federal law to identify a student or employee. The steering
16 committee shall present such recommendations to the Education Coordinating Council.
17 Upon approval of the boards of the respective education agencies, such boards shall issue
18 appropriate requests for proposals to implement a state-wide comprehensive educational
19 information system, subject to appropriation by the General Assembly. The boards of the
20 respective education agencies, at the direction of the Education Coordinating Council and
21 working through the steering committee, shall initiate contracts with appropriate vendors
22 and local units of administration for the procurement of services, purchase of hardware and
23 software, and for any other purpose as directed by the Education Coordinating Council,
24 consistent with appropriation by the General Assembly.

25 (b) The State Board of Education, ~~the Board of Technical and Adult Education~~, the Board
26 ~~of Regents of the University~~ Higher Education of the Higher Education System of Georgia,
27 and the Department of Early Care and Learning shall require an individual student record
28 for each student enrolled which at a minimum includes the data specifications
29 recommended by the steering committee and approved by the Education Coordinating
30 Council. The Professional Standards Commission shall maintain an individual data record
31 for each certificated person employed in a public school.

32 (c) For the purpose of this article, authorized educational agencies shall be the Department
33 of Education; the Department of Early Care and Learning; the Board of ~~Regents of the~~
34 ~~University~~ Higher Education for the Higher Education System of Georgia; ~~the Department~~
35 ~~of Technical and Adult Education~~; the Education Coordinating Council; the Professional
36 Standards Commission; the Office of Student Achievement; the education policy and
37 research components of the office of the Governor; the Office of Planning and Budget; the

1 ~~Legislative~~ Senate Budget Office; ~~the House Budget Office;~~ the House Research Office;
2 and the Senate Research Office. Any information collected over the state-wide
3 comprehensive educational information system, including individual student records and
4 individual personnel records, shall be accessible by authorized educational agencies,
5 provided that any information which is planned for collection over the system but which
6 is temporarily being collected by other means shall also be accessible by authorized
7 educational agencies and provided, further, that adequate security provisions are employed
8 to protect the privacy of individuals. All data maintained for this system shall be used for
9 educational purposes only. In no case shall information be released by an authorized
10 educational agency which would violate the privacy rights of any individual student or
11 employee. Information released by an authorized educational agency in violation of the
12 privacy rights of any individual student or employee shall subject the authorized
13 educational agency to all penalties under applicable state and federal law. Any information
14 collected over the state-wide comprehensive educational information system which is not
15 stored in an individual student or personnel record format shall be made available to the
16 Governor and the House and Senate Appropriations, Education, and Higher Education
17 committees, except information otherwise prohibited by statute. Data which are included
18 in an individual student record or individual personnel record format shall be extracted
19 from such records and made available in nonindividual record format for use by the
20 Governor, committees of the General Assembly, and agencies other than authorized
21 educational agencies."

22 SECTION 18.

23 Said title is further amended by revising Code Section 20-3-1, relating to definitions for post
24 secondary education, as follows:

25 "20-3-1.

26 As used in this chapter, the term:

27 (1) 'Board of ~~regents~~ higher education' or 'board' means the Board of ~~Regents~~ Higher
28 Education of the ~~University~~ Higher Education System of Georgia.

29 (2) '~~University~~ Higher education system' or 'system' means the ~~University~~ Higher
30 Education System of Georgia."

32 SECTION 19.

33 Said title is further amended by repealing and reserving Code Section 20-3-20, relating to
34 change of the name of the "Trustees of the University of Georgia," as follows:

35 "20-3-20.

36 (a) ~~The board of regents is created.~~

(b) ~~The name of the corporation established prior to January 1, 1932, and existing under the name and style, 'Trustees of the University of Georgia,' is changed to 'Regents of the University System of Georgia.' Reserved.~~

SECTION 20.

Said title is further amended by revising Code Section 20-3-21, relating to composition, powers, and duties of the board of regents generally, as follows:

"20-3-21.

~~The board of regents shall be composed of one member from each congressional district in the state and five additional members from the state at large, who shall be appointed by the Governor and confirmed by the Senate. The board of higher education shall consist of one member from each congressional district in the state and five additional members from the state at large. The five at-large members shall be appointed by the Governor and confirmed by the Senate; provided, however, that the number of members to be appointed by the Governor shall be reduced to four, at such time as the number of congressional districts shall cause an even number of members on the board. All appointments made by the governor shall be confirmed by a two thirds majority vote of the members of the Senate. The members in office on June 30, 2008, shall continue to serve until the expiration of their terms provided; however, that on July 1, 2009, they shall become advisory members to the board of higher education and shall not have authority to vote on any matters before the board and their positions shall be deemed vacated for purposes of appointing or electing board members pursuant to this Code section. The initial election or appointment of board members shall be made on or following January 1, 2009, and the terms of such initially appointed members shall begin on July 1, 2009. A member of the board from a congressional district shall be elected by a majority vote of the members of the General Assembly whose districts are embraced or partly embraced within such congressional district meeting in caucus as such congressional district vacancy on the board shall come due. All members elected by the General Assembly on or following January 1, 2009, shall serve three year terms; provided, however, that the initial members elected from Congressional Districts 1 through 6 shall serve initial terms of two years. Members appointed by the Governor and confirmed by the Senate on or following January 1, 2009, shall serve four year terms. A member may be reappointed to the board in accordance with this Code section. The General Assembly shall adopt procedures for the election of members and for filling vacancies on the board. Members shall serve until their successors are appointed or elected and qualified. In the event of a vacancy on the board by death, resignation, removal, or any reason other than the expiration of a member's term, such vacancy shall be filled in the same manner as the original appointment or election; and the~~

1 person so appointed or elected shall serve for the unexpired term of office. The Governor
2 shall not be a member of the board. The board shall have all the powers and duties now or
3 hereafter provided by law. The board shall be subject to all provisions of law not
4 inconsistent with this part."

5 SECTION 21.

6 Said title is further amended by revising Code Section 20-3-50, relating to the institutions in
7 the university system, as follows:

8 "20-3-50.

9 (a) The ~~university~~ higher education system shall consist of four major divisions:

10 (1) The Division of Research Universities which shall supervise and manage the major
11 public research universities in Georgia and designated research programs, including the
12 University of Georgia and all of its branches, the Georgia Tech Research Institute as
13 provided for in Chapter 11 of this title, and marine resources extension centers and the
14 Oceanographic Research Center as provided for in Chapter 12 of this title;

15 (2) The Division of Four-year Degree Colleges and Universities which shall supervise
16 and manage the colleges and universities other than the major research universities and
17 which are primarily responsible for offering four-year college education degree programs;

18 (3) The Division of Community Colleges which shall consist of schools and colleges
19 whose core function is to provide occupational education and vocational training
20 including two and four year degree programs and adult educational programs as provided
21 for in Chapter 4 of this title; such community colleges shall include all schools previously
22 designated junior colleges as provided for in Article 4 of Chapter 3 of this title, and those
23 schools and programs formerly under the authority of Department of Adult and Technical
24 Education;

25 (5) The Division of Technical Education Support which shall consist of offices providing
26 support to all divisions of the college and university system and shall include supervision
27 of the state public libraries provided for in Article 1 of Chapter 5 of this title.

28 (b) Each division provided for in this Code section, excluding the Division of Research
29 Universities, shall be managed by a vice-president who shall be appointed by a two-thirds
30 majority of the full board.

31 (c) The higher education system shall also consist of three major advisory offices:

32 (1) The Office of Emerging and Innovative Technology which shall advise and consult
33 with the chief education officer, vice-presidents, and others as directed by the chief
34 education officer, on all matters pertaining to emerging and innovative technology and
35 intellectual property and shall act as a liaison to other agencies and private individuals

and entities in order to facilitate communication and cooperation on issues of emerging and innovative technologies;

(2) The Office of Private Colleges and Universities which shall advise and consult with the chief education officer, vice-presidents, and others as directed by the chief education officer, on all matters pertaining to private colleges and universities in Georgia and which shall act as a liaison to such private schools in matters pertaining to cooperation and communication with private colleges and universities; and

(3) The Office of Primary and Secondary Education which shall advise and consult with the chief education officer, vice-presidents, and others as directed by the chief education officer, on all matters pertaining to schools under the authority of the Board of Education and local school boards and which shall act as a liaison to such primary and secondary schools and the school boards so as to facilitate cooperation and communication on issues pertaining to primary and secondary schools."

SECTION 22.

Said title is further amended by revising paragraph (1) of Code Section 20-3-485, relating to definitions regarding the Georgia HERO Scholarship, as follows:

"(1) 'Approved school' means a school which is a unit of the ~~University~~ Higher Education System of Georgia ~~or a branch of the Georgia Department of Technical and Adult Education~~ or a private independent nonprofit postsecondary institution eligible for HOPE Scholarships scholarships or grants in accordance with the provisions of Code Sections 20-3-519 through 20-3-519.12."

SECTION 23.

Said title is further amended by revising paragraph (7) through (9) of Code Section 20-3-519, relating to definitions regarding HOPE scholarships and grants, as follows:

"(7) 'Eligible postsecondary institution' means a school which is:

(A) A unit of the ~~University~~ Higher Education System of Georgia;

~~(B) A branch of the Georgia Department of Technical and Adult Education~~ or an affiliated institution which is controlled by a local board of education;

~~(C)~~ (B) A private independent nonprofit postsecondary institution eligible for tuition equalization grants in accordance with the provisions of subparagraph (A) of paragraph (2) of Code Section 20-3-411; or

~~(D)~~ (C) A private proprietary postsecondary institution eligible for tuition equalization grants in accordance with the provisions of subparagraph (C) of paragraph (2) of Code Section 20-3-411.

(8) 'Eligible private postsecondary institution' means an eligible postsecondary institution which meets the criteria set out in subparagraph (B) or (C) ~~or (D)~~ of paragraph (7) of this Code section.

(9) 'Eligible public postsecondary institution' means an eligible postsecondary institution which meets the criteria set out in subparagraph (A) ~~or (B)~~ of paragraph (7) of this Code section."

SECTION 24.

Said title is further amended by revising subsection (a) of Code Section 20-3-519.2, relating to eligibility requirements for a HOPE scholarship at a public postsecondary institution and scholarship amount, as follows:

"20-3-519.2.

(a) To be eligible for a HOPE scholarship, an entering freshman student seeking an associate or baccalaureate degree at an eligible public postsecondary institution shall:

(3) Meet enrollment standards by being admitted, enrolled, and classified as an undergraduate student in a matriculated status or, in the case of an otherwise eligible student who is classified as a first professional degree student rather than an undergraduate student, being accepted into the first professional degree program of study prior to receiving a baccalaureate degree.

(e)(1)(A) A full-time student who fails to maintain a cumulative grade point average of at least 3.0 at the end of the quarter or semester in which the student has attempted 45 quarter hours or 30 semester hours may attend the next 45 quarter or 30 semester hours without a HOPE scholarship. An otherwise eligible full-time student who regains a cumulative grade point average of at least 3.0 at the end of a quarter or semester in

1 which the full-time student has attempted 90 or 135 quarter hours or 60 or 90 semester
2 hours may requalify for a HOPE scholarship.

3 (B) An otherwise eligible part-time student who regains or attains a cumulative grade
4 point average of at least 3.0 at the end of a quarter or semester in which the part-time
5 student has attempted 45, 90, or 135 quarter hours or 30, 60, or 90 semester hours may
6 attain or requalify for a HOPE scholarship.

7 (2) In addition to other requirements, and regardless of quarter hours or semester hours
8 of coursework attempted, a student who fails to possess a cumulative grade point average
9 of at least 3.0 at the end of each spring quarter or semester or at the end of three
10 consecutive quarters or semesters for a part-time student pursuant to paragraph (2) of
11 subsection (b) of this Code section shall be ineligible for a HOPE scholarship until such
12 time as the student regains or attains a cumulative grade point average of at least 3.0 at
13 one of the 45, 90, or 135 quarter hour grade point average checkpoints or at one of the 30,
14 60, or 90 semester hour grade point average checkpoints, at which time the student will
15 regain or attain eligibility if other terms and conditions in this Code section are also
16 satisfied.

17 (f) For students eligible for a HOPE scholarship under this Code section, no minimum
18 number of hours of enrollment is required.

19 (g)(1) Except as set out in paragraph (2) of this subsection, a student may receive the
20 HOPE scholarship until the first of these events:

21 (A) The student has earned a baccalaureate degree; or

22 (B) The student has attempted at any postsecondary institution a total of 190 quarter
23 hours or 127 semester hours.

24 (2) A student enrolled in an undergraduate or first professional degree program designed
25 to be more than 190 quarter hours or 127 semester hours in length is eligible to receive
26 the HOPE scholarship for the lesser of:

27 (A) A total of 225 attempted quarter hours or 150 attempted semester hours; or

28 (B) The number of hours required for graduation if the student has a cumulative grade
29 point average of at least 3.0 after the term in which the student attempted 190 quarter
30 hours or 127 semester hours.

31 (h)(1) Subject to the amounts appropriated by the General Assembly and provisions
32 relating to the Lottery for Education Account in Code Section 50-27-13, a HOPE
33 scholarship awarded under this Code section shall include tuition, approved mandatory
34 fees, and a book allowance not to exceed \$100.00 per quarter or \$150.00 per semester,
35 except as otherwise provided for in paragraphs (2) and (3) of this subsection.

(2) Effective beginning with the fall quarter or semester commencing after July 1, 2004, the amount of mandatory fees paid shall be equal to such amount or amounts that were paid on January 1, 2004, except as otherwise provided for in Code Section 50-27-13.

(3) Paragraph (2) of this subsection shall not apply to an eligible public postsecondary institution established by law on or after January 1, 2004. For any eligible public postsecondary institution established on or after January 1, 2004, the amount of the mandatory fees paid shall be equal to such amount or amounts initially approved for that new eligible public postsecondary institution for its first year of operation by action of the board of higher education ~~regents or the Department of Technical and Adult Education, as applicable,~~ except as otherwise provided for in Code Section 50-27-13."

SECTION 25.

Said title is further amended by revising Code Section 20-3-519.3, relating to eligibility requirements for a HOPE scholarship at a private postsecondary institution and scholarship amount, as follows:

"(a) To be eligible for a HOPE scholarship, an entering freshman student seeking an associate or baccalaureate degree at an eligible private postsecondary institution shall:

(1) Meet residency requirements by meeting the requirements to be classified as a legal resident of Georgia as established by the program regulations promulgated by the Georgia Student Finance Commission;

(2) Meet achievement standards by:

(A) Having graduated from an eligible high school while meeting the curriculum requirements of his or her program of study in 1996 or thereafter and meeting the requirements set out in the applicable paragraph of subsection (b) of Code Section 20-2-157; or

(B) In the case of a student who is otherwise qualified but:

(i) Did not graduate from high school or complete a home study program meeting the requirements of subsection (c) of Code Section 20-2-690, having received the general educational development (GED) diploma awarded by the Georgia Department of Technical and Adult Education after June 30, 1993, or the Board of Higher Education of the Higher Education System of Georgia after July 1, 2008, provided that such student shall only be eligible for a HOPE scholarship pursuant to subsection (e) of this Code section;

(ii) Completed a home study program meeting the requirements of subsection (c) of Code Section 20-2-690 in lieu of graduating from an eligible high school, earning a cumulative grade point average of at least 3.0 at an eligible public postsecondary institution at the end of the quarter or semester in which the student has attempted 45

1 quarter hours or 30 semester hours, provided that such student shall be eligible to
2 receive a retroactive HOPE scholarship for such student's freshman year to be paid
3 at the end of the freshman year; or

4 (iii) Graduated from a high school which is not an eligible high school, earning a
5 cumulative grade point average of at least 3.0 at an eligible public postsecondary
6 institution at the end of the quarter or semester in which the student has attempted 45
7 quarter hours or 30 semester hours, provided that such student shall be eligible to
8 receive a retroactive HOPE scholarship for such student's freshman year to be paid
9 at the end of the freshman year; and

10 (3) Meet enrollment standards by:

11 (A) Being admitted, enrolled, and classified as an undergraduate student in a
12 matriculated status; and

13 (B) Being registered for and attending classes as at least a half-time student for 14 days
14 or more after the last day of the institution's drop and add period."

15 **SECTION 26.**

16 Said title is further amended by revising subsection (a) of Code Section 20-3-519.5, relating
17 to eligibility requirements for a HOPE grant at a branch of the Georgia Department of
18 Technical and Adult Education and limitation on hours of eligibility, as follows:

19 "(a) To be eligible for a HOPE grant, a student seeking a diploma or certificate at a ~~branch~~
20 ~~of the Georgia Department of Technical and Adult Education or a unit of the University~~
21 Higher Education System of Georgia shall:

22 (1) Meet residency requirements by meeting the requirements to be classified as a legal
23 resident of Georgia as established by the program promulgated by the Georgia Student
24 Finance Commission which shall be based upon the in-state tuition policy ~~of the board~~
25 ~~of regents~~ and the in-state tuition guidelines set by the ~~Department of Technical and~~
26 ~~Adult Education~~ board of higher education; and

27 (2) Meet enrollment standards by being admitted, enrolled, and classified as an
28 undergraduate student in a matriculated status in a program of study leading to a
29 certificate or diploma and maintaining satisfactory academic progress in accordance with
30 the standards and practices used for federal Title IV programs by the institution at which
31 the student is enrolled."

32 **SECTION 27.**

33 Said title is further amended by revising Code Section 20-3-519.6, relating to HOPE GED
34 vouchers, as follows:

1 "20-3-519.6.

2 (a) Subject to the amounts appropriated by the General Assembly and provisions relating
3 to the scholarship shortfall reserve subaccount in Code Section 50-27-13, a HOPE GED
4 voucher in the amount of \$500.00 shall be awarded once to each student receiving a
5 general educational development (GED) diploma awarded by the Georgia Department of
6 Technical and Adult Education after June 30, 1993, or the Board of Higher Education of
7 the Higher Education System of Georgia after July 1, 2008, shall be valid at any eligible
8 postsecondary institution in Georgia for 24 months from the date of issuance.

9 (b) An otherwise eligible student receiving a HOPE GED voucher under this Code section

11 **SECTION 28.**

12 Said title is further amended by revising Code Section 20-3-561, relating to management of
13 the Georgia Military College vested in the board of trustees, as follows:

14 "20-3-561.

15 The government, control, and management of the Georgia Military College shall be vested
16 in the Board of Trustees of the Georgia Military College. The Georgia Military College
17 shall receive any designated funds appropriated by the General Assembly through the
18 Board of ~~Regents of the University System of Georgia or the Department of Technical and~~
19 ~~Adult Education~~ Higher Education of the Higher Education System of Georgia. In the
20 budgeting and expenditure of such designated funds, the Board of Trustees of the Georgia
21 Military College shall provide annually to the Board of ~~Regents of the University System~~
22 ~~of Georgia or the Department of Technical and Adult Education~~ Higher Education of the
23 Higher Education System of Georgia copies of budgetary requests submitted by the
24 Georgia Military College to the Office of Planning and Budget and copies of audit reports
25 concerning the expenditure of such funds. Nothing in this Code section shall be construed
26 to diminish the authority of the elected Board of Trustees of the Georgia Military College
27 over budgetary management and expenditure of such designated funds in compliance with
28 other provisions of state law."

29 **SECTION 29.**

30 Said title is further amended by revising Article 2 and Article 3 of Chapter 4, relating to
31 vocational, technical, and adult education, as follows:

"ARTICLE 2

20-4-10.

(a) ~~There is established a State Board of Technical and Adult Education consisting of not fewer than one member from each congressional district and nine at-large members who shall be appointed by the Governor and confirmed by the Senate for five-year terms. Board members in office on June 30, 2000, shall serve out the remainder of their respective terms. Upon expiration of those terms, the Governor shall appoint seven successors to two-year terms, six successors to three-year terms, and six successors to five-year terms. All subsequent appointments shall be for regular five-year terms. Members shall represent business, industry, or economic development. The board shall elect from its members a chairperson, vice chairperson, and such other officers as are considered necessary, each to serve for two-year terms. Officers may be elected to succeed themselves. Members shall serve until their successors are appointed; however, in the event of a vacancy on the board because of death, resignation, or removal for any reason other than expiration of a member's term, the Governor shall fill such vacancy in the same manner as the original appointment and the person so appointed shall serve for the unexpired term of office. On July 1, 2009, the State Board of Technical and Adult Education shall be abolished. The members of the board in office on July 1, 2009, shall become advisory members to the Board of Higher Education for the Higher Education System of Georgia. Such advisory members shall not have authority to vote on any matters before the board of higher education and upon expiration of their term of office the position shall not be filled.~~

(b) As used in this article, the term:

(1) 'state board' 'Board of higher education' or 'board' means the State Board of Technical and Adult Education Board of Higher Education of the Higher Education System of Georgia; and

(2) 'Division' or 'division' means the Division of Community Colleges under the authority and supervision of the board and chief education officer of the higher education system as established in Code Section 20-4-14.

20-4-11.

The ~~State Board of Technical and Adult Education~~ board of higher education shall be empowered to:

(1) Provide for a comprehensive program of literacy, career, occupational, and technical education for adults and out-of-school youths. Such program shall promote the economic well-being of Georgia citizens by providing high quality postsecondary technical and adult literacy education programs, services, and activities which are easily accessible by

1 all segments of the adult population who need and can benefit from training, retraining,
2 or upgrade training for employment and which is highly responsive to individuals
3 needing to achieve basic, general, and specialized literacy. Such program shall also
4 provide a system of schools which is a full partner in the economic development and
5 expansion of the state's economic base and represents a significant asset in the attraction
6 of new business and industry to the state and the expansion of existing business and
7 industry in the state;

8 (2) Establish and promulgate standards, rules, regulations, and policies for the orderly
9 and efficient operation of ~~the Department of Technical and Adult Education and of~~
10 postsecondary technical schools, programs, and institutions, including those which it
11 operates and those operated by local and area boards of education, and for the orderly and
12 efficient provision of adult literacy education programs:

13 (A) Such standards, rules, regulations, and policies may include but not be limited to
14 developing criteria for the recruitment, employment and retention of faculty and staff;
15 recruitment of students and student admissions; program approval, salaries and salary
16 supplements, tuition, and fees; eligibility of public and private providers of adult
17 literacy education programs for state and federal funds, levels of funding for such
18 providers and associated levels of required provider matching funds; long and
19 short-term planning to include facilities, program standards, and outcome
20 competencies; establishing provisions for appropriate recognition of program
21 achievement below the baccalaureate level; soliciting resources from the private sector;
22 industry and education partnerships; research and data collection; representing
23 postsecondary technical and adult literacy education in all forums; and such other
24 functions necessary to assure an effective and efficient state-wide system of
25 postsecondary technical schools and adult literacy education with leadership at the state
26 level; and

27 (B) For adult literacy programs, the ~~state~~ board shall establish:

28 (i) One set of standards for public adult literacy providers and another set of
29 standards for private adult literacy providers. The public standards shall be more
30 comprehensive and detailed than the private standards; and

31 (ii) Standards and requirements for the attainment of a high school equivalency
32 certificate which shall be comparable to the high school graduation requirements set
33 by the State Board of Education for public school programs and which shall also be
34 at least equal to the requirements established for a general educational development
35 (GED) diploma. The ~~State Board of Technical and Adult Education~~ board of higher
36 education shall also adopt and administer an instrument to measure the level of
37 achievement required to obtain a high school equivalency certificate;

(3) Select and employ a ~~commissioner of technical and adult education~~ vice president of community colleges and fix his or her compensation, duties, and responsibilities consistent with the provisions of this article. The ~~commissioner~~ vice president of community colleges shall report to the chief education officer of the Higher Education System of Georgia and shall:

(A) Exercise the overall supervision and direction of ~~the Department of Technical and Adult Education~~ technical and vocational education and shall serve at the pleasure of the ~~State Board of Technical and Adult Education~~ Board of Higher Education. The ~~State Board of Technical and Adult Education~~ board may assign and delegate to the ~~commissioner~~ chief education officer such responsibilities, powers, and duties as the ~~State Board of Technical and Adult Education~~ board may deem board deems proper and appropriate, including the authority to execute on behalf of the ~~State Board of Technical and Adult Education~~ board of higher education legal documents and other filings; and

(B) Be responsible for implementing the policies of the Board of Higher Education and for the day-to-day operations of ~~the Department of Technical and Adult Education~~ this state's technical and vocational schools. The ~~commissioner~~ vice president shall develop job descriptions for the necessary administrative, programmatic, liaison, and clerical personnel and shall, at his discretion, hire staff necessary for the operation of ~~the Department of Technical and Adult Education~~ technical and vocational schools;

(4) Establish an Adult Literacy Advisory Committee to advise and assist the ~~state~~ board in developing goals, objectives, policies, methods, and standards for the delivery of adult literacy programs. This committee will further assist the ~~state~~ board by communicating and facilitating the adoption of such goals, objectives, policies, methods, and standards by the organizations and groups which its members represent. Each member of this committee shall be reimbursed for actual expenses incurred in performing his or her duties as provided in Code Section 20-4-12 for ~~state~~ board members;

(5) Establish local boards of directors for postsecondary technical schools which the ~~state~~ board of higher education operates to assist the ~~state~~ board in carrying out its mission. The purpose of such local boards shall be to facilitate the delivery of programs, services, and activities as directed by the ~~state~~ board of higher education. The ~~state~~ board shall establish the number of members of each local board and the terms of office thereof, provided that all members of any local board shall represent the geographic area which the institution serves as defined by the ~~state~~ board of higher education; provided, further, that all members shall represent business, industry, or economic development. The ~~state~~ board of higher education shall be empowered to establish and approve all bylaws and actions of all local boards of directors. Each local board of directors shall meet at least eight times per year. Each member of such local boards of directors shall be reimbursed

1 for expenses incurred in performing his or her duties as provided in Code Section ~~20-4-12~~
2 20-3-28 for ~~state~~ members of the board members of higher education;

3 (6) Establish service delivery areas as required to carry out the ~~state~~ board's mission in
4 delivering, supervising, funding, administering, coordinating, and monitoring adult
5 literacy education;

6 (7) Establish a local adult literacy advisory committee for each service delivery area
7 which it establishes. The purpose of each such committee shall be to identify and
8 recommend goals, objectives, target groups, programs, curricula, and delivery methods
9 for adult literacy programs; to develop and recommend associated short and long-range
10 plans; to recommend a fiscal agent; and to perform other activities as may be directed by
11 the ~~state~~ board to provide for the most effective and efficient delivery of adult literacy
12 programs in the local committee's service delivery area. The ~~state~~ board shall establish
13 the number of members of each local committee and the terms of office thereof, provided
14 that all members of any local committee shall represent the area defined by the ~~state~~
15 board to be the adult literacy service delivery area; provided, further, that the membership
16 of each local committee shall include local civic leaders and representatives of adult
17 literacy providers, business, and industry. The ~~state~~ board shall be empowered to
18 establish and approve all bylaws and actions of all local committees. Each local
19 committee shall meet at least four times per year. Each member of such local committee
20 shall be reimbursed for expenses incurred in performing his or her duties as provided in
21 Code Section ~~20-4-12~~ 20-3-28 for ~~state~~ board members;

22 (8) Establish a plan whereby employees of the ~~Department of Technical and Adult~~
23 ~~Education~~ Higher Education System of Georgia may, through payroll deductions, make
24 voluntary contributions to the Georgia Fund for Technical and Adult Education, Inc.,
25 provided that such plan shall:

26 (A) Be consistent with the requirements of subsection (b) of Code Section 45-20-53,
27 Code Section 45-20-54, Code Section 45-20-55, and Code Section 45-20-56; and

28 (B) Not interfere with the right of employees of the ~~Department of Technical and Adult~~
29 ~~Education~~ to make voluntary contributions to other charitable organizations pursuant
30 to the provisions of Article 3 of Chapter 20 of Title 45;

31 (9) Prescribe criteria, policies, and standards deemed necessary for the effective
32 implementation of a program financed wholly or partially from appropriations from the
33 Lottery for Education Account and established for the purpose of providing teachers the
34 necessary training in the use and application of computers and advanced electronic
35 instructional technology to implement interactive learning environments in the classroom
36 and to access the state-wide distance learning network. Such program shall include the

expenditure of funds appropriated for such purpose to defray the costs associated with repairing and maintaining advanced electronic instructional technology;

(10) Approve a request by a postsecondary technical school or institution governed under this chapter to be named a technical college upon the approval and granting of occupational degree-granting status ~~by the State Board of Technical and Adult Education~~ by the board and upon receiving accreditation by the Commission on Colleges of the Southern Association of Schools, the Council on Occupational Education, or any other appropriate accrediting agency approved by the United States Secretary of Education. ~~The use of the name technical college shall not alter the governance of the technical school or institution as established under this chapter nor shall it abridge the authority of the Board of Regents of the University System of Georgia under the Constitution of this state; and~~

(11) Submit an annual request for funding to the Office of Planning and Budget as prescribed in Code Sections 45-12-78 and 45-12-79. Such submission shall reflect a request for funds pursuant to an enrollment driven formula that reflects funds for direct instructional costs to include salaries and instructional supplies and equipment, funds for indirect support, maintenance and operation, staff and professional development, and media services. Such funding shall be subject to appropriation by the General Assembly.

20-4-12.

~~The members of the State Board of Technical and Adult Education who are in state employment shall serve without compensation but, subject to fund availability, shall be reimbursed by the state department in which employed for all necessary expenses that may be incurred in the performance of their duties under this article in accordance with state travel regulations promulgated by the State Accounting Office in the same manner that employees of the state merit system are reimbursed. For those State Board of Technical and Adult Education members who are not in state employment, the expense and mileage allowance shall be the same as that authorized for the General Assembly and shall be payable, subject to fund availability, by the State Board of Technical and Adult Education~~
Reserved.

20-4-13.

~~The State Board of Technical and Adult Education shall meet monthly, provided, however, that the board may suspend up to two such meetings per year depending upon the press of business. Additional meetings may be called by the chairperson or at the request of three or more of the members. The State Board of Technical and Adult Education shall adopt procedures for the conduct of its activities~~ Reserved.

20-4-14.

(a) There is established a ~~Department of Technical and Adult Education~~ division of the Higher Education System of Georgia which shall be designated the Division of Community Colleges managed by the vice president of the division of community colleges under the authority of the board and supervision of the chief education officer of the higher education system.

(b) The ~~department~~ Board of Higher Education shall exercise state level leadership, management, and operational control over schools, programs, and services authorized in this article and Article 3 of this chapter. The board is authorized to delegate all duties, powers, and responsibilities as deemed proper and necessary to the chief education officer of the Higher Education System and vice president of the division of community colleges.

(c)(b) In pursuit of the goals of this chapter, the board ~~The Department of Technical and Adult Education~~ shall be empowered to:

(1) Approve occupational programs below the baccalaureate level; ~~provided, however, any courses to be transferable to units of the University System of Georgia shall be approved by the Board of Regents of the University System of Georgia;~~

(2) Receive and hold title to property, equipment, money, and materials;

(3) Operate instructional services projects, also known as student live work projects, in those occupational areas which require specific skills or competency mastery that can best be obtained or demonstrated in a laboratory environment with clients, real items, or projects, including, but not limited to, carpentry, child care, aviation, welding, and automotive repair, and, in connection with such projects:

(A) Receive, retain, and utilize donations, fees, and moneys generated as a result of the sale of such services or projects;

(B) Retain any unexpended student live work funds from year to year;

(C) Expend retained student live work funds for any student live work project or for the benefit of instructional programs at the technical institute; and

(D) Acquire, improve, and sell real or personal property in connection with student live work projects; ~~provided that all acquisitions and sales of real property in connection with student live work projects shall be approved by the state board;~~

(4) Solicit and receive funds from the general public, corporate underwriters, and foundations;

(5) Contract with other state, federal, or local public or private schools and other entities, individuals, or other legal entities for the provision of programmatic or administrative services or activities the ~~department~~ board deems necessary; and

(6) Administer and supervise programs in accordance with standards, rules, regulations, and policies of the ~~State Board of Technical and Adult Education~~ board.

20-4-15.

(a) For the purposes of this article, 'literacy' means a degree of proficiency in reading, writing, and other communication skills; in computation; and in reasoning that enables an individual to adapt to technological and other changes in society, compete in the job market, develop a sense of self-worth, and participate in the democratic process.

(b) The ~~State Board of Technical and Adult Education~~ division shall establish adult literacy programs which provide for the attainment of reading, writing, and computational skills at the basic, general, and specialized levels of literacy. The ~~state board~~ division shall determine the specific competencies concerning the skills and knowledge needed for each of the three levels of literacy; provided, however, that competencies at the specialized level contain the skills needed to qualify for a high school equivalency certificate.

(c) There is established an office of adult literacy which shall report directly to the ~~commissioner~~ division. The office of adult literacy shall provide programs for the effective and efficient education of all Georgia adults eligible under the provisions of this Code section, including persons with disabilities and those for whom English is a second language. Subject to the availability of funding, all levels of literacy programs defined by this article shall be provided in each service delivery area to any eligible individual who requests them. With the ultimate goal of the elimination of illiteracy in the state, priority shall be given to providing all eligible adults with the opportunity to attain a general level of literacy.

(d) Individuals shall be eligible for adult literacy services who comply with other eligibility and attendance requirements as adopted by the ~~state board~~ or division and who:

(1) Are high school graduates or have high school equivalency certificates and who are deficient in one or more areas of competency offered by adult literacy programs; provided, however, that no person shall be eligible for a high school equivalency certificate who has a high school diploma; or

(2) Are at least 16 years of age and are not high school graduates but who are capable of attaining basic literacy skills as determined by policies established by the ~~state board~~ or division; provided, however, that an individual who is 16 or 17 years of age who has not graduated from high school shall present documented evidence that his or her school system has been notified that he or she has withdrawn from school.

20-4-16.

(a) Any other Code section of this article to the contrary notwithstanding, the ~~State Board of Technical and Adult Education~~ division shall annually determine the amount of funds needed to provide adult literacy and postsecondary technical education programs for businesses, industries, adults, and out-of-school youths and provide a report to the board.

1 The board shall annually request that the Governor recommend that the General Assembly
2 make such appropriations as are needed.

3 (b) Any other Code section of this article to the contrary notwithstanding, the ~~Department~~
4 ~~of Technical and Adult Education~~ division is authorized to provide funds, appropriated by
5 the General Assembly for this purpose, to local units of administration, as defined in Code
6 Section 20-2-242, and to other state, regional, local, and private agencies to be used for
7 adult literacy, career, occupational, and technical education programs.

8 (c) Adult literacy providers eligible to receive funds from the ~~state board~~ division shall
9 consist of those public and private entities which meet applicable public or private
10 standards as determined by the ~~board~~ division. Such providers may include, but are not
11 limited to, public and private schools, postsecondary technical schools, public and private
12 colleges and universities, public libraries, community education programs, or businesses
13 and industries. All public providers must meet public standards pursuant to Code Section
14 20-4-11 to be eligible to receive funds from the ~~state board~~. Private providers may choose
15 to meet either private or public standards pursuant to Code Section 20-4-11 and shall be
16 eligible to receive funds from the ~~state board~~ division in accordance with the standards
17 which they meet.

18 20-4-17.

19 (a) The Department of Education is designated as the sole state agency to receive federal
20 funds allotted to Georgia under acts of Congress appropriating federal funds for career,
21 occupational, or technical education; provided, however, those funds appropriated for the
22 operation and management of postsecondary technical, adult, and industrial programs shall
23 be placed under the jurisdiction and control of the ~~Department of Technical and Adult~~
24 ~~Education~~ board of higher education; provided, further, a proportionate share of those
25 federal funds appropriated for planning, evaluation, program improvement, and other
26 administrative and discretionary purposes shall be placed under the jurisdiction and control
27 of such board. ~~Those personnel positions authorized for fiscal year 1986 for the operation~~
28 ~~and management of postsecondary technical schools and adult centers, as well as a~~
29 ~~proportionate share of those positions authorized for fiscal year 1986 for planning,~~
30 ~~evaluation, program improvement, and other administrative and discretionary purposes,~~
31 ~~shall be transferred to the Department of Technical and Adult Education. Such employees~~
32 ~~shall retain all existing rights under the Employees' Retirement System of Georgia, the~~
33 ~~Teachers Retirement System of Georgia, and the state merit system.~~

34 (b) The ~~Department of Technical and Adult Education~~ board of higher education is
35 designated as the sole state agency to receive federal funds allotted to Georgia under acts
36 of Congress appropriating federal funds for adult literacy education programs. ~~Those~~

1 ~~personnel positions authorized for fiscal year 1988 solely for the management,~~
2 ~~coordination, planning, evaluation, administration, and program improvement of adult~~
3 ~~literacy education programs, and associated office equipment and furniture, shall be~~
4 ~~transferred to the Department of Technical and Adult Education. All officials and~~
5 ~~employees in such positions are also transferred to the Department of Technical and Adult~~
6 ~~Education and shall retain all existing rights under the Employees' Retirement System of~~
7 ~~Georgia, the Teachers Retirement System of Georgia, and the state merit system.~~

8 20-4-18.

9 ~~Subject to the provisions of Code Section 20-4-20, any~~ Any other Code section of this
10 article to the contrary notwithstanding, all decisions regarding the delivery of adult literacy
11 and postsecondary technical education programs and services to business, industry, and
12 individuals who are 16 years of age or older and who have completed or left the public
13 schools, to include the awarding of high school equivalency certificates, shall be made by
14 the ~~Department of Technical and Adult Education~~ board. Commensurate with this
15 authority, the ~~department~~ board shall exercise state level management and operational
16 control over adult literacy education programs, postsecondary technical schools, and adult
17 vocational centers.

18 20-4-19.

19 The adult literacy education programs operated by the Department of Corrections shall
20 conform to the standards, regulations, policies, and procedures of the ~~State Board of~~
21 ~~Technical and Adult Education~~ board; provided, however, that the Department of
22 Corrections shall give priority to complying with the standards, regulations, policies, and
23 procedures promulgated by the American Correctional Association and the Correctional
24 Education Association where any conflicts shall arise.

25 20-4-20.

26 ~~Nothing in this article shall abridge the authority of the Board of Regents of the University~~
27 ~~System of Georgia to establish or operate colleges or of local boards of education to~~
28 ~~operate schools~~ Reserved.

29 20-4-21.

30 (a) Any postsecondary technical school operated by a local board of education, an area
31 postsecondary technical education board, or the ~~Department of Technical and Adult~~
32 ~~Education~~ board of higher education shall be authorized to charge tuition fees in

conformity with the rules and regulations promulgated by the ~~State Board of Technical and Adult Education~~ board of higher education.

(b) Tuition fees charged by postsecondary technical schools operated by local boards of education, area postsecondary technical education boards, and the ~~Department of Technical and Adult Education~~ board of higher education shall not be used to supplant existing state or local funding but shall be used for budgeted improvements not funded from existing state and local sources.

(c) The ~~Department of Technical and Adult Education~~ board of higher education shall not withhold from any postsecondary technical school which charges tuition fees as authorized by this Code section any funds which would otherwise be payable by the ~~Department of Technical and Adult Education~~ board of higher education to such school by contract, grant, or otherwise.

20-4-22.

Any other Code section of this article to the contrary notwithstanding, the ~~Department of Technical and Adult Education~~ board of higher education shall assume the management, operation, and control of the quick start program. ~~The Department of Education shall transfer to the Department of Technical and Adult Education all~~ All existing staff, equipment, funds, property, and support functions and facilities shall be transferred to the board of higher education ~~currently under its control to accomplish this requirement~~, as set forth in this article.

20-4-23.

Upon a postsecondary technical school's conversion to state management, any unexpended nonstate funds that have been collected by, appropriated for, or otherwise earmarked for use by said postsecondary technical school operated by a local board of education or an area board shall remain with that school until expended for the intended purpose.

20-4-24.

Except where prohibited by federal law, ~~rules, or regulations~~ or rules, regulations, or policies of the ~~State Board of Technical and Adult Education~~ board of higher education, local units of administration shall be authorized to utilize personnel funded under this article to administer and coordinate community education programs and activities as well as to execute their assigned duties and responsibilities related to adult literacy education.

1 20-4-25.

2 ~~Newly hired professional personnel employed for the first time by the Department of~~
3 ~~Technical and Adult Education on or after July 1, 1985, and all full-time nonprofessional~~
4 ~~personnel employed for the first time after July 1, 1987, by postsecondary technical schools~~
5 ~~governed by the department shall become members of the Teachers Retirement System of~~
6 ~~Georgia as a condition of employment, if otherwise eligible under laws, rules, and~~
7 ~~regulations, unless such personnel elect membership in the Employees' Retirement System~~
8 ~~of Georgia and are otherwise eligible under laws, rules, and regulations. Once such~~
9 ~~election is made by such personnel, the election is irrevocable during the tenure of~~
10 ~~employment with the Department of Technical and Adult Education or any postsecondary~~
11 ~~technical school governed thereby. Newly hired employees not eligible for membership~~
12 ~~in the Teachers Retirement System of Georgia or the Employees' Retirement System of~~
13 ~~Georgia shall become members of the Public School Employees Retirement System as a~~
14 ~~condition of employment, if otherwise eligible. The State Board of Technical and Adult~~
15 ~~Education shall provide by regulation for informing prospective employees of the option~~
16 ~~provided for by this Code section so that such personnel may choose membership in the~~
17 ~~Teachers Retirement System of Georgia or the Employees' Retirement System of Georgia~~
18 ~~or the Public School Employees Retirement System at the time of their employment~~
19 Reserved.

20 20-4-26.

21 ~~All full-time employees of a postsecondary technical school formerly operated by a local~~
22 ~~board of education or area postsecondary technical education board as of July 1, 1987, or~~
23 ~~the date which the department assumes governance of the postsecondary technical school~~
24 ~~shall elect either to continue membership in the Teachers Retirement System of Georgia~~
25 ~~or to become members of the Employees' Retirement System of Georgia. Once such~~
26 ~~election is made by such personnel, the election is irrevocable during the tenure of~~
27 ~~employment with the Department of Technical and Adult Education or any postsecondary~~
28 ~~technical school governed thereby. All employees who are members of the Public School~~
29 ~~Employees Retirement System may elect to continue their membership in the Public~~
30 ~~School Employees Retirement System or to become members of the Teachers Retirement~~
31 ~~System of Georgia or the Employees' Retirement System of Georgia, if otherwise eligible~~
32 ~~under laws, rules, or regulations~~ Reserved.

33 20-4-27.

34 Employees of postsecondary technical schools governed by the department board of higher
35 education shall serve in the unclassified service of the state merit system as defined by

Code Section 45-20-6, provided that employees who serve in the classified service of the state merit system as defined by Code Section 45-20-6 may elect to remain in the classified service, and be governed by the provisions thereof; provided, further, that such employees who choose to be promoted to unclassified positions or who request to transfer to different positions or locations shall become members of the unclassified service.

20-4-28.

Employees of postsecondary technical schools governed by the ~~department~~ board of higher education who ~~are~~ were appointed after July 1, 1987, or after the date on which the ~~department assumes~~ Department of Technical and Adult Education assumed governance of the postsecondary technical schools shall have their compensation established in conformity with ~~state~~ board policy in accordance with the ~~state~~ board compensation plan in effect at the time of employment. Such employees shall receive benefits in effect at the time of employment available to state employees employed by the ~~department~~ board. The benefits and compensation for any employee may be amended, increased, or decreased at any time as the ~~department~~ board deems appropriate.

20-4-29.

~~Employees of postsecondary technical schools formerly operated by a local board of education, or area postsecondary technical education board, shall as of July 1, 1987, or the date on which the department assumes governance of the postsecondary technical school make a choice as follows as to which salary and which benefit plan shall govern their employment:~~

~~(1) The salary earned as of July 1, 1987, or the date on which the department assumes governance of the postsecondary technical school, whichever is later, and the benefit plan in effect as of the same date, provided that such benefits can be obtained for comparable or less cost by the department. If such benefits cannot be obtained for comparable or less cost, such employees shall receive the benefits available to state employees employed by the department. The future salaries of employees making this choice shall be governed by policies established by the state board. Employees making this choice shall have no rights to salary increases accruing from past or future conditions or changes to their former compensation plans administered by local boards of education or area postsecondary technical education boards;~~

~~(2) The salary earned as of July 1, 1987, or the date on which the department assumes governance of the postsecondary technical school, whichever is later, and the benefits available to state employees employed by the department as of the same date, provided that the department may increase the salaries of employees to conform with the state~~

6 that any sick leave granted under this subsection shall be subject to the same limitations as
7 sick leave accrued while employed by the department, including forfeiture Reserved.

8 20-4-32.

9 Employees of postsecondary technical schools governed by the ~~department~~ board of higher
10 education shall accrue sick leave as provided for by the rules and regulations of the State
11 ~~Personnel Board~~ board.

12 20-4-33.

13 Employees of postsecondary technical schools governed by the ~~department~~ board of higher
14 education shall receive days off with pay, the total of which in any year shall not exceed
15 the total of the number of state holidays provided by Code Section 1-4-1 and the number
16 of annual leave days authorized by the rules and regulations of the ~~State Personnel Board~~
17 board. The ~~state~~ board may, by policy, establish conditions regulating such days off with
18 pay. Such employees shall accrue annual leave as provided for by the rules and regulations
19 of the ~~State Personnel Board~~ board. For the purpose of determining the number of annual
20 leave days authorized to be accrued by the rules and regulations of the ~~State Personnel~~
21 ~~Board~~ board, years of experience in the employment of local boards of education or area
22 postsecondary technical education boards shall be counted as years of experience in the
23 employment of postsecondary technical schools governed by the ~~department~~ board.

24 ~~20-4-34.~~

25 ~~All employees who were formerly employed by the State Board of Postsecondary~~

29 ~~Technical and Adult Education shall report annually to the Governor and General~~
30 ~~Assembly regarding progress toward this goal. Reserved.~~

ARTICLE 3

20-4-40.

There is established a supplemental program to provide special quick start training to meet the employment training needs of new and expanding industry as well as certain existing industries which may qualify under rules established by the ~~State Board of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia. The program shall be governed by the ~~State Board of Technical and Adult Education~~ board of higher education.

20-4-41.

The programs of technical training under this article shall be supplementary to those offered by postsecondary technical schools and shall be operated on a state-wide basis to assist any area to become more competitive in industrial and economic development; provided, however, no program may be made available to any area except as prescribed by the ~~State Board of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia. The program prescribed in this article shall be concerned only with training for skilled and semiskilled operations, including supervisory personnel associated with such operations, and shall terminate when training needs have been met; provided, however, that basic academic education may be included as a part of the training program when such is necessary to ensure success of trainees in the occupational training program.

20-4-42.

The ~~Department of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia shall administer the program under this article and shall provide for technical and engineering services, publicity for the program, instructional services, in-plant training analysis, rental of instructional facilities with necessary utilities, central warehousing and transportation of equipment and supplies, other necessary services, overall program direction, and an adequate staff to carry out an effective training program.

20-4-43.

(a) Training programs under this article may be carried out on the basis of training agreements between local boards of education having postsecondary technical schools and the ~~State Board of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia. Under such agreements, the local board of education may

1 make available its postsecondary technical school facilities or temporary rented facilities
2 and shall pay all instructional salaries in accordance with the salary schedule established
3 by the ~~state~~ board of higher education in agreement with the local board of education
4 without consideration of the salary schedule adopted for regular instructional personnel,
5 provided that teachers and others employed in such training programs shall be classified
6 as temporary employees ~~and shall not be eligible for participation in the Teachers~~
7 ~~Retirement System~~. All expenses incurred by a local board of education under such
8 agreement in providing the services prescribed by this article shall be reimbursed by the
9 state from funds provided for this purpose.

10 (b) Training programs under this article may also be carried out pursuant to annual
11 contracts or agreements between the ~~State Board of Technical and Adult Education~~ board
12 of higher education and private industrial or business firms under rules and regulations
13 adopted by the ~~State Board of Technical and Adult Education~~ board of higher education
14 for such purpose. Any such training program carried out pursuant to any such contract
15 shall be assigned to a state postsecondary technical school, an area postsecondary technical
16 school, or the technical or vocational education division of a junior college ~~operated in~~
17 ~~accordance with a joint agreement between the State Board of Technical and Adult~~
18 ~~Education and the board of regents at the time a site is selected for such training program.~~

19 (c) Each training program under this article shall be based on a specific training needs
20 analysis and included in a training plan which defines training and services to be provided.

21 20-4-44.

22 The ~~State Board of Technical and Adult Education~~ Board of Higher Education of the
23 Higher Education System of Georgia may prescribe qualifications for persons employed
24 in the program under this article without consideration of qualifications prescribed for
25 personnel employed in regular instructional programs.

26 20-4-45.

27 The ~~Department of Technical and Adult Education~~ Board of Higher Education of the
28 Higher Education System of Georgia shall be authorized to procure equipment necessary
29 to carry out an adequate training program under this article. Such equipment shall be
30 maintained in a warehouse reserve and shall become available to any area of the state
31 where a training program creates a need but shall be returned to the warehouse reserve
32 when no longer needed in a training program. In furtherance of this provision, equipment
33 having long delivery dates may be purchased in advance of an actual need upon the
34 determination by the ~~Department of Technical and Adult Education~~ board of higher
35 education that a need for such equipment could reasonably be expected in the program.

1 The ~~department~~ board of higher education is authorized to provide for the transportation
2 of instructional equipment and to employ equipment riggers, warehousemen, and other
3 personnel needed to carry out this provision. Title to all equipment purchased under this
4 article shall be vested in the ~~State Board of Technical and Adult Education~~ board of higher
5 education.

6 20-4-46.

7 The ~~State Board of Technical and Adult Education~~ Board of Higher Education of the
8 Higher Education System of Georgia shall have the authority to promulgate any and all
9 standards, rules, and regulations necessary to carry out the objectives and purposes of this
10 article.

11 20-4-47.

12 To assist in carrying out this article, the ~~State Board of Technical and Adult Education~~
13 Board of Higher Education of the Higher Education System of Georgia is authorized to
14 accept grants of money, materials, services, or property of any kind from a federal agency,
15 private agency, corporation, or individual."

16 SECTION 30.

17 To amend Article 1 of Chapter 5 of Title 20 of the Official Code of Georgia Annotated,
18 relating to state public libraries activities, by revising Code Section 20-5-2, relating to
19 powers and duties of the board of regents and director of University of Georgia Libraries, as
20 follows:

21 "20-5-2.

22 (a) The ~~board of regents~~ Division of Technical and Education Support of the Higher
23 Education System of Georgia shall give aid, advice, and counsel to all libraries and to
24 communities which may propose to establish libraries as to the best means of establishing
25 and administering them, the selection of books, cataloging, and other details of library
26 management and shall exercise supervision over all public libraries and endeavor to
27 improve libraries already established. The ~~board of regents~~ division of technical and
28 education support may also conduct a book-lending and information service for the benefit
29 of the citizens of the state, free of cost except postage. The ~~board of regents~~ division of
30 technical and education support is also authorized to purchase books, periodicals, and other
31 instructional materials for such purposes. The ~~board of regents~~ division of technical and
32 education support may also employ necessary professional and clerical staff to carry on the

1 work as stated in this Code section and may pay their necessary traveling expenses while
2 engaged in such work.

3 (b) The ~~board of regents~~ division of technical and education support shall have authority
4 to accept gifts of books, money, or other property from any public or private source,
5 including the federal government and shall have authority to perform any and all functions
6 necessary to carry out the intention and purposes of this article.

7 (c) The State Library Commission is abolished, and the functions and services exercised
8 and performed by it under this chapter shall be exercised and performed by the ~~board of~~
9 ~~regents~~ division of technical and education support.

10 (d) The collection of books, periodicals, documents, and other library materials held by
11 the ~~board of regents~~ board of higher education is designated as the State Library.

12 (e) Each department and institution within the executive branch of state government shall
13 make a report to the director of the ~~University of Georgia~~ Higher Education Libraries on
14 or before December 1 of each year containing a list by title of all public documents
15 published or issued by such department or institution during the preceding state fiscal year.
16 The report shall also contain a statement noting the frequency of publication of each such
17 public document. The director of the ~~University of Georgia~~ Higher Education Libraries
18 may disseminate copies of the lists, or such parts thereof, in such form as the director of
19 ~~University of Georgia~~ Higher Education Libraries, in his or her discretion, deems shall best
20 serve the public interest. For purposes of this article, 'public documents' shall mean the
21 books, magazines, journals, pamphlets, reports, bulletins, and other publications of any
22 agency, department, board, bureau, commission, or other institution of the executive branch
23 of state government but specifically shall not include the reports of the Supreme Court and
24 the Court of Appeals, the journals of the House and the Senate, or the session laws enacted
25 by the General Assembly and shall not include forms published by any agency, department,
26 board, bureau, commission, or other institution of the executive branch of state
27 government.

28 (f) Each department and institution within the executive branch of state government shall
29 submit to the director of the ~~University of Georgia~~ Higher Education Libraries at least five
30 copies of each of the public documents which such departments and institutions publish,
31 within one month of its date of publication, unless the director ~~of the University of Georgia~~
32 ~~Libraries~~ requests additional copies of any such public documents, up to a maximum of 60
33 copies, in which case the number of copies requested shall be submitted.

34 (g) The Governor and all of the officers who are or may be required to make reports to the
35 General Assembly shall furnish the director of the ~~University of Georgia~~ Higher Education
36 Libraries with at least five copies of each of such reports and additional copies upon
37 request of the director of the University of Georgia Libraries.

(h) The Department of Administrative Services, the Georgia Correctional Industries Administration, the Board of ~~Regents~~ Higher Education of the ~~University~~ Higher Education System of Georgia, and any other agency of state government which prints public documents shall furnish to the director of the ~~University of Georgia~~ Higher Education Libraries on a monthly basis a record of all public documents which have been printed or scheduled for printing by that agency during the preceding month.

(i) The director of the ~~University of Georgia~~ Higher Education Libraries shall have the authority to supply copies of public documents to any state institution, public library, or public school in this state or to any other institution of learning which maintains a library, if such copies are available. Such copies may be furnished for a reasonable cost or free of charge or for the cost of postage or shipping, as the director of the ~~University of Georgia~~ Higher Education Libraries deems appropriate.

(j) The director of the ~~University of Georgia~~ Higher Education Libraries shall have the authority to act as the exchange agent of this state for the purpose of a regular exchange between this state and other states of public documents. The several state departments and institutions are required to deposit with the director of the ~~University of Georgia~~ Higher Education Libraries for that purpose up to 50 copies of each of their public documents, as may be specified by the director of the ~~University of Georgia~~ Higher Education Libraries.

(k) The director of the ~~University of Georgia~~ Higher Education Libraries may transfer books and other library holdings to the Division of Archives and History, the Board of ~~Regents~~ Higher Education of the ~~University~~ Higher Education System of Georgia, the State Law Library, or other public libraries. Books and other library holdings which are obsolete, defective, worn out, or surplus, or otherwise in the discretion of the director of the ~~University of Georgia~~ Higher Education Libraries are not required, may be sold, destroyed, or otherwise disposed of by the director of the ~~University of Georgia~~ Higher Education Libraries, without the need to comply with the provisions of Article 5 of Chapter 13 of Title 45 relating to the disposition of surplus state books.

(l) The director of the ~~University of Georgia~~ Higher Education Libraries shall have the authority to employ the necessary personnel, including documents librarians and other professional personnel, to carry out the powers and duties set forth in this Code section.

(m) Any person or agency required by the provisions of this Code section to submit to the director of the ~~University of Georgia~~ Higher Education Libraries copies of documents shall also submit such documents in such electronic form as the director shall specify, if such electronic form is readily available."

SECTION 31.

To amend Article 1 of Chapter 5 of Title 20 of the Official Code of Georgia Annotated, relating to state public libraries activities, by revising Code Section 20-5-4, relating to annual reports by public libraries, as follows:

"20-5-4.

All public libraries in the state shall submit reports annually to the ~~board of regents~~
Division of Technical and Education Support of the Higher Education System of Georgia."

SECTION 32.

Said title is further amended by revising subsection (a) of Code Section 20-14-3, relating to membership of the Education Coordinating Council, officers, and meetings, as follows:

"(a) The council shall consist of the Governor, the State School Superintendent, the chairperson of the State Board of Education, the ~~chancellor of the University System of Georgia~~ chief education officer of the Higher Education System of Georgia, the chairperson of the Board of Higher Education of the Higher Education ~~University System of Georgia~~, the ~~commissioner of technical and adult education~~, the chairperson of the ~~State Board of Technical and Adult Education~~ the vice president of the division of research universities, the vice president of the division of four-year colleges and universities, and the vice president of the division of community colleges, the executive secretary of the Professional Standards Commission, the chairperson of the Professional Standards Commission, and the director of the Department of Early Care and Learning. The council shall also include, as nonvoting advisory members, the chief advisory officers for the office of emerging and innovative technology, the office of private colleges and universities, and the office of primary and secondary education."

SECTION 33.

Said title is further amended by revising paragraph (15) of Code Section 20-14-8, relating to general powers and duties of the Education Coordinating Council, as follows:

"(15) To mediate disputes among the Department of Education, the College and University System of Georgia, the ~~Department of Technical and Adult Education~~, the Professional Standards Commission, the Department of Early Care and Learning, and the Office of Student Achievement in matters regarding accountability or education system seamlessness."

SECTION 34.

Said title is further amended by revising paragraph (3) of subsection (a) of Code Section 20-14-27, relating to reports required of the Office of Student Achievement, as follows:

"(3) An annual report regarding postsecondary education shall be submitted no later than December 1 of each year, commencing December 1, 2002. The postsecondary education report shall be an evaluation of the progress made on performance indicators identified and defined by the office and approved by the council for all universities, colleges, institutes, and schools in the ~~University~~ Higher Education System of Georgia ~~and under the governance of the Department of Technical and Adult Education~~. The postsecondary education report shall include information concerning results of the state's investment in each university, college, institute, and school; and"

SECTION 35.

Said title is further amended by revising Code Section 20-14-50, relating to creation of the postsecondary accountability assessment program, adoption of performance measures, report cards, and audit, as follows:

"20-14-50.

(a) The office shall create and the council shall adopt the rules and policies that support a postsecondary accountability assessment program that is primarily performance based.

(b) The office shall develop and the council shall adopt performance measures and indicators that provide the basis for an accountability report card annually on the ~~University~~ Higher Education System of Georgia ~~and the Department of Technical and Adult Education~~.

~~(c) The office and the board of regents shall identify, define, and develop such performance indicators and measures by December 1, 2001. The first report card on universities and colleges shall be implemented and produced by the office by December 1, 2002.~~

~~(d) The office and the State Board of Technical and Adult Education shall identify, define, and develop such performance indicators and measures by December 1, 2001. The office shall implement and produce the first report card on the department, institutes, and schools by December 1, 2002.~~

~~(e)~~(c) After December 1, 2002, the office shall audit those postsecondary institutions, schools, colleges, or programs as necessary in implementing the education accountability system described in this part."

SECTION 36.

Said title is further amended by revising Code Section 20-16-3, relating to the creation of the Georgia Higher Education Facilities Authority, appointment of members, terms of office, and officers, as follows:

(a) There is created a body corporate and politic to be known as the Georgia Higher Education Facilities Authority, which shall be deemed to be an instrumentality of this state and a public corporation; and by that name, style, and title such body may contract and be contracted with, bring and defend actions, and implead and be impleaded. The authority shall consist of five members, as follows: ~~three appointees~~ one appointee of the Governor, ~~one appointee~~ two appointees of the Speaker of the House of Representatives who ~~is a member~~ are members of the board of ~~technical and adult~~ higher education, and ~~one appointee~~ two appointees of the President Pro Tempore of the Senate who ~~is a member of the board of regents~~ are members of the board of higher education. The initial term of office of the Governor's ~~appointees~~ appointee shall end on June 30, ~~2007~~ 2009. The initial term of office of the Speaker of the House of Representatives' ~~appointee~~ appointees shall end on June 30, ~~2008~~ 2010. The initial term of office of the President Pro Tempore of the Senate's ~~appointee~~ appointees shall end on June 30, ~~2009~~ 2011. After the expiration of these initial terms of office, the terms of office of all succeeding members shall be for three years. If, at the end of any term of office of any member, a successor thereto has not been appointed, the member whose term of office has expired shall continue to hold office until his or her successor is so appointed.

(b) The authority shall elect one of its members as chairperson and another as vice chairperson and a secretary and treasurer, who need not necessarily be a member of the authority. The majority of the members of the authority shall constitute a quorum. No vacancy on the authority shall impair the right of the quorum to exercise all the rights and perform all the duties of the authority, except as otherwise provided in this chapter. The members of the authority shall be entitled to and shall be reimbursed for their reasonable travel and expenses necessarily incurred in the performance of their duties and shall receive the same per diem as do members of the General Assembly. The authority may hire staff or may have staff assigned from within the ~~university~~ higher education system ~~or from the Department of Technical and Adult Education~~ for the purposes of carrying out the duties and responsibilities contained in this chapter, with compensation paid from resources available to the authority or the board of ~~regents or the board of technical and adult education~~ higher education, as such ~~boards~~ board and the authority may agree. The authority shall make bylaws for its own government. It shall have perpetual existence. Any change in name or composition of the authority shall in no way affect the vested rights of any person under the provisions of this chapter or impair the obligations of any contracts existing under this chapter.

(c) The authority is assigned to the Georgia State Financing and Investment Commission for administrative purposes only as prescribed in Code Section 50-4-3.

1 (d) No member of the authority shall transact any business, as such term is defined in Code
2 Section 45-10-20, with the state; or the University Higher Education System of Georgia or
3 any of its institutions, ~~or the Department of Technical and Adult Education or any of its~~
4 ~~institutions.~~"

Article 2 of Chapter 7 of Title 48 of the Official Code of Georgia Annotated, relating to the imposition, rate, and computation of income taxes and exemptions, is amended by revising Code Section 48-7-40.5, relating to tax credits for employers providing approved retraining programs, as follows:

"48-7-40.5.

(a) As used in this Code section, the term:

(1) 'Approved retraining' means employer provided or employer sponsored retraining that meets the following conditions:

(A) It enhances the functional skills of employees otherwise unable to function effectively on the job due to skill deficiencies or who would otherwise be displaced because such skill deficiencies would inhibit their utilization of new technology;

(B) It is approved and certified by the ~~Department of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia; and

(C) The employer does not require the employee to make any payment for the retraining, either directly or indirectly through use of forfeiture of leave time, vacation time, or other compensable time.

(2) 'Cost of retraining' means direct instructional costs as defined by the ~~Department of Technical and Adult Education~~ Board of Higher Education of the Higher Education

1 System of Georgia including instructor salaries, materials, supplies, and textbooks but
2 specifically excluding costs associated with renting or otherwise securing space.

3 (3) 'Employee' means any employee resident in this state who is employed for at least
4 25 hours a week, who has been continuously employed by the employer for at least 16
5 consecutive weeks.

6 (4) 'Employer' means any employer upon whom an income tax is imposed by this
7 chapter.

8 (5) 'Employer provided' refers to approved retraining offered on the premises of the
9 employer or on premises approved by the ~~Department of Technical and Adult Education~~
10 Board of Higher Education of the Higher Education System of Georgia by instructors
11 hired by or employed by an employer.

12 (6) 'Employer sponsored' refers to a contractual arrangement with a school, university,
13 college, or other instructional facility which offers approved retraining that is paid for by
14 the employer.

15 (b) A tax credit shall be granted to an employer who provides or sponsors an approved
16 retraining program. The amount of the tax credit shall be equal to one-half of the costs of
17 retraining per full-time employee, or \$500.00 per full-time employee, whichever is less, for
18 each employee who has successfully completed an approved retraining program. No
19 employer may receive a credit if the employer requires that the employee reimburse or pay
20 the employer for the cost of retraining.

21 (c) Any tax credit claimed under this Code section for any taxable year beginning on or
22 after January 1, 1998, but not used for any such taxable year may be carried forward for
23 ten years from the close of the taxable year in which the tax credit was granted. The tax
24 credit granted to any employer pursuant to this Code section shall not exceed 50 percent
25 of the amount of the taxpayer's income tax liability for the taxable year as computed
26 without regard to this Code section.

27 (d) To be eligible to claim the credit granted under this Code section, the employer must
28 certify to the department the name of the employee, the course work successfully
29 completed by such employee, the name of the provider of the approved retraining, and such
30 other information as may be required by the department to ensure that credits are only
31 granted to employers who provide or sponsor approved retraining pursuant to this Code
32 section and that such credits are only granted to employers with respect to employees who
33 successfully complete such approved retraining. The department shall adopt rules and
34 regulations and forms to implement this credit program. The department is expressly
35 authorized and directed to work with the ~~Department of Technical and Adult Education~~
36 Board of Higher Education of the Higher Education System of Georgia to ensure the proper
37 granting of credits pursuant to this Code section.

(e) The ~~Department of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia is expressly authorized and directed to establish such standards as it deems necessary and convenient in approving employer provided and employer sponsored retraining programs. In establishing such standards, the ~~Department of Technical and Adult Education~~ Board of Higher Education of the Higher Education System of Georgia shall establish required hours of classroom instruction, required courses, certification of teachers or instructors, progressive levels of instruction, and standardized measures of employee evaluation to determine successful completion of a course of study."

SECTION 69.

Said article is further amended by revising Code Section 48-7-41, relating to basic skills education program credits, as follows:

"48-7-41.

(a) As used in this Code section, the term:

(1) 'Approved basic skills education' means employer provided or employer sponsored education that meets the following conditions:

(A) It enhances reading, writing, or mathematical skills up to and including the twelfth-grade level for employees who are otherwise unable to function effectively on the job due to deficiencies in those areas or who would otherwise be displaced because such skill deficiencies would inhibit their training for new technology;

(B) It is approved and certified by the ~~Department of Technical and Adult Education~~ Education Division of Community Colleges of the Higher Education System of Georgia; and

(C) The employer does not require the employee to make any payment for the education, either directly or indirectly through use of forfeiture of leave time, vacation time, or other compensable time.

(2) 'Cost of education' means direct instructional costs as defined by the ~~Department of Technical and Adult Education~~ Education Division of Community Colleges of the Higher Education System of Georgia including instructor salaries, materials, supplies, and textbooks but specifically excluding costs associated with renting or otherwise securing space.

(3) 'Employee' means any employee resident in this state who is employed for at least 24 hours a week and who has been continuously employed by the employer for at least 16 consecutive weeks.

(4) 'Employer' means any employer upon whom an income tax is imposed by this chapter.

(5) 'Employer provided' refers to approved basic skills education offered on the premises of the employer or on premises approved by the ~~Department of Technical and Adult Education~~ Division of Community Colleges of the Higher Education System of Georgia by instructors hired by or employed by an employer.

(6) 'Employer sponsored' refers to a contractual arrangement with a school, university, college, or other instructional facility which offers approved basic skills education that is paid for by the employer.

(b) A tax credit shall be granted to an employer who provides or sponsors an approved basic skills education program. The amount of the tax credit shall be equal to one-third of the costs of education per full-time equivalent student, or \$150.00 per full-time equivalent student, whichever is less, for each employee who has successfully completed an approved basic skills education program. No employer may receive a credit if the employer requires that the employee reimburse or pay the employer for the cost of education.

(c) The tax credit granted to any employer pursuant to this Code section shall not exceed the amount of the taxpayer's income tax liability for the taxable year as computed without regard to this Code section.

(d) To be eligible to claim the credit granted under this Code section, the employer must certify to the department the name of the employee, the course work successfully completed by such employee, the name of the approved basic skills education provider, and such other information as may be required by the department to ensure that credits are only granted to employers who provide or sponsor approved basic skills education pursuant to this Code section and that such credits are only granted to employers with respect to employees who successfully complete such approved basic skills education. The department shall adopt rules and regulations and forms to implement this credit program. The department is expressly authorized and directed to work with the ~~Department of Technical and Adult Education~~ Division of Community Colleges of the Higher Education System of Georgia to ensure the proper granting of credits pursuant to this Code section.

(e) The ~~Department of Technical and Adult Education~~ Division of Community Colleges of the Higher Education System of Georgia is expressly authorized and directed to establish such standards as it deems necessary and convenient in approving employer provided and employer sponsored basic skills education programs. In establishing such standards, the ~~Department of Technical and Adult Education~~ Division of Community Colleges of the Higher Education System of Georgia shall establish required hours of classroom instruction, required courses, certification of teachers or instructors, and progressive levels of instruction and standardized measures of employee evaluation to determine successful completion of a course of study."
